

White Line Range

Alabama

The Alabama is a classic favourite in the Tortuga range, having established itself as a best seller for many years. It is available in three sizes to meet different requirements and is ideally suited for use as a kitchen, camp or group tent. Three of its sides can be rolled up or used as awnings enabling you to create additional usable space and adapt it without any fuss or bother. The Alabama can also be fitted with an inner tent which splits the interior space to provide separate areas. Alabama – a by word for flexibility with style.

| Tent | Alabama size 1 | Alabama size 2 | Alabama size 3 |
|----------------------|---|---|---|
| Base area | 450 x 450cm | 490 x 450cm | 600 x 450cm |
