

Set up instructions for Kentucky and Tuareg tents

1. Lay out the poles and check that all the parts are present.
2. Lay out the canvas, close the zippers and peg down loosely at the corners.
3. Unzip the entrance and from inside: Set up the centre pole, the entrance poles (2 per entrance) with a ridge pole in-between.
4. Attach the guy ropes to the entrance poles and peg out to secure the poles.
5. Close the tent entrance and peg out the rest of the guy ropes.

...more than just a tent...

Contents:

- 1 x tent canvas
- 1 x steel centre pole
- 4 x entrance poles
- 2 x ridge poles
- guy ropes & pegs

**Always check the guy ropes of your tent
and re-tension if required
Mark guy ropes and pegs to avoid tripping
over them in the dark**
