

## Set up instructions for:

Missouri      Columbia      Ohio      Rio Grande

---

---

1. Unpack your tent and check to make sure everything is there.  
\* Contact us straight away if anything is missing following initial delivery.\*
2. Lay out the tent canvas and close the entrance. Make sure the entrance is in the position you want.  
**NB.** If you have a separate Ground Sheet, lay this out first and then lay the canvas out on top.
3. Peg down the outside edge of tent making sure it is secure but not too taut.
4. Unzip/unlace the entrance and insert the centre pole, lifting the tent into position.
5. Insert the entrance compass poles and then **close** the entrance again.
6. Attach the guy ropes to the tent and peg out. Make sure they are not too tight.
7. Tighten the entrance area so it is straight and then adjust/ straighten the rest of the tent so the structure is secure and taut.
8. Tighten the guy ropes all around making sure it is evenly tensioned.
9. Unzip/unlace the entrance and lay out all your camping equipment inside.
10. Enjoy.
