

Set up for Pyramid tents Yellowstone and Nevada

Pre tent setup:

1. Check that the tent contents are complete.
2. Lay out the canvas and attach the guy ropes (22 in total)

Tent setup:

1. Lay out canvas and insert the corner poles and the entrance pole. Peg down the corner guy ropes and tension (not too tight)
2. Close the entrance and peg down the base of the tent
3. Unzip the entrance and erect the centre pole in the middle of the tent
5. Close the entrance, peg out and tension all other guy ropes
6. Enjoy your tent

...more than just a tent...
